The Driftwood Spars

A high-angle, wide shot of a coastal scene. The sky is a clear, pale blue. The ocean is a deep blue, with white-capped waves breaking onto a wide, sandy beach. The beach is light tan and shows some tracks and small groups of people. To the right, there are dark, jagged rocks protruding from the water and onto the shore. In the foreground, at the bottom of the frame, there is a rocky, vegetated slope with green shrubs and grey stones.
